

KEEP CYCLING IN NORTH LONDON

SKY RIDE LOCAL

Sky Ride Local rides are fun, friendly and free community bike rides that help you get out and explore your local area. They're led by a British Cycling trained ride leader who can provide support, whatever your age or ability.

Rides vary in levels, from beginners to more experienced cyclists, but whatever level you choose, you'll be riding on safe routes, with your ride leaders.

Sky Ride Locals are every Sunday until the end of October across London.

Visit goskyride.com/skyridelocal for more details
